Sydney,

I was told that I should contact you about getting new lab coats (I switched labs and, although I thought that my coats were just going to be moved to the other lab, they were returned). My name is Sonja Farak, I wear a size 46, and I am now in room 361. Thanks.

Sonja

Sonja your coats were turned in because you no longer are with Infectious Disease. You need to send Sydney Fuller an e-mail with your name and coat size and she will order you new coats. E-mail her today the coat person comes tomorrow and you will get the coats sooner. Sydney is waiting for your e-mail.

Deb,

I was wondering if you knew where my lab coats are? I've checked a couple times on 7 and I've checked the 'supply' down here, but they are still MIA. I tried to stop by to ask you, but it seems whenever I can get up there you are somewhere else. Thanks.
